

## FOCUSING ON FINANCIAL TRAINING

**Angela Tao**

MBA, Webster University USA

Angela has over ten years corporate financial management experience in Fortune 500 multinational companies and has worked for Philips Lighting and Lear Corporation as finance controller and China commercial financial manager. She set up the project investment system for Lear China; acted as finance controller for Lear-SAIC joint-ventures; and was responsible for overall budget management, credit control and corporate financial operating management. She has also worked for Philips Lighting, where she was responsible for financial reporting & analysis and internal control. She had rich experience and knowledge in financial reporting & analysis, budgeting and project investment management.

Angela has many years of in-house financial training experience. She was responsible for arranging the financial training for non-financial managers and training for project investment management. She was also expertly combined financial knowledge with rich practical experience. Her presentations are full of humor and logic, the trainees appreciating the training, thinking it is helpful for their daily work.
