

FOCUSING ON FINANCIAL TRAINING

Doug Guo

Member of The China Institute of Certified Public Accountants (CICPA), China Tax Agent (CTA) and Association of Chartered Certified Accountants (ACCA).

Mr. Guo has previously held the position of finance manager at Grace Semiconductor, Volvo and other foreign invested enterprises. He is proficient in financial planning and analysis, and was responsible for setting up the corporate budgeting system for Grace Semiconductor and Volvo, his work covering areas such as budgeting, financial reporting and analysis, credit control and cash flow management.

During his tenure in Grace Semiconductor, he has delivered internal training courses including Finance to non-finance personnel and International Financial Reporting Standards (IFRS) and Tax. He was awarded the Best Corporate Tutor's honor in 2003 and has also taught ACCA courses Paper 2.5 (Financial Reporting) and Certified Accounting Technician (CAT) Paper 10 (managing finances) in HKFSI for several semesters.
